The Palace Controller was then enquired No 1260 d: 5.12.02
if he could arrange to feed a few and if
so how many really poor and helpless
people in the Chattram without exceeding
the sanctioned allotment of Rs 500 a month
for feeding the bona fide travellers. In
reply he states that the rigid enforcement (No 68 d: 8.12.02)
of the Govt Order No 716-7 dated 30th December
1899 is causing much hardship, as, under it,
no residents, excepting students and Vehicle drivers
are permitted to be fed, that cooked food
could not be given them as no addition could
be made to the Rehimidars, that "Kangalara
Akkhi Charity" is limited, that if the
Palace Controller is given the discretion
to feed the really deserving, much relief
could be given to the suffering and that
the Dharmadarsis seem to be of his
opinion. He further states that the petitioner
has been getting a monthly grant of

Sent to the Dewan

In the case of the Pēdus now in question nothing need be done as he is already reported to be getting an allowance of Rs 3/per mensem from the Prince Gulam Mahomed's Charity Fund.

As regards the general power asked for by the Police Controller I think that the restriction laid down in the order of 1899 ~~was to be wholesome~~ to the effect that only bona fide travellers should be fed in the Chattram is a wholesome one. Even with this restriction some students and Sehumdars are being fed in the Mysore Chattram under special sanction. It is perhaps best to leave matters as they are at present.

B a n g a l o r e .

Sir,

In reference to your Docket No: 1260/17-97 dated 5th Dec 1903

I have the honor to state that the rigid enforcement of the prohi-bition (Vide Govt. Order No:716-7 dated 30th Dec.1899, para 3) to feed residents, excepting Nehimidars and students, is causing much hard-ship. Cases have often arisen in which the helpless, maimed and destitute had to be sent away unfed, as under the existing rule, only raw rice could be given to them subject to prescribed limits, and no addition could be made to the Nehimidars for cooked food.

2. It appears to me therefore that if the Officer in charge of the Maharaja's Chatram, (i.e., the Palace Controller) is given a discretion to give food therein to the most deserving, within prescribed restrictions, he would be able to redress much appreciable hardship which seems at present remedy-less.

3. The Dharmadarsies seem also to agree with me.

4. In the case of Gundappa, whose petition accompanied your docket under reply, he gets a monthly grant of ₹ 3/- from the Prince Gulam Mahomed Charity Fund.

I have the honor to be,

Sir,

Your most obedient servant,

Palace Controller.
